SCORING CLARIFICATION

Notice to Teachers

Regents Examination in Physical Setting/Earth Science Thursday, June 21, 2012 Spanish Edition Question 75 Only

This clarification pertains to the scoring of Question 75 of the Spanish edition only of the Regents Examination in Physical Setting/Earth Science.

In rating responses for this question written by students who used the Spanish edition of this exam, either exclusively or in conjunction with the English edition, allow credit if the response refers to the correct air masses using their two-letter symbols as they appear in either the English or Spanish editions of the reference tables.

Please make sure to darken the circle for “Spanish” in the box labeled “Alternate Language” on the answer sheets for all students who used the Spanish edition, either exclusively or in conjunction with the English edition.

We apologize for any inconvenience this may cause you, and we thank you for your hard work on behalf of the students in New York State.
