Regents Examination in Global History and Geography

English Edition, Page 14 Only Wednesday, August 17, 2011

This notice pertains to one DBQ scaffolding question on the English edition only of the Regents Examination in Global History and Geography.

A limited number of the exam booklets had smudging across part of page 14, making a significant portion of the text unreadable. Any student who was **not** provided with a clearly printed page should be awarded one credit for the Document 3 scaffolding question. For those students who were provided a clearly printed page and either left the question blank or wrote an incorrect response, no credit should be awarded.

Please photocopy this notice and give a copy of it to each teacher scoring the English edition of this exam.

We apologize for any inconvenience this may cause you and we thank you for your hard work on behalf of the students in New York State.
