Question 45**

This notice applies only to students who used the Chinese edition of the Regents Examination in Living Environment, either exclusively or in conjunction with the English edition.

There is an inaccuracy in the translation of Question 45. Allow credit if the students who used the Chinese edition, either exclusively or in conjunction with the English edition, used vertical lines rather than vertical bars in their responses. In all other respects, the response should be scored in accordance with the information provided in the Scoring Key and Rating Guide.

Make sure to darken the circle for “Chinese” in the box labeled “Alternate Language” on the answer sheets for all students who used the Chinese edition of the Regents Examination in Living Environment, either exclusively or in conjunction with the English edition.

Please photocopy this notice and give a copy of it to each teacher scoring the Chinese edition of the Regents Examination in Living Environment.

We apologize for any inconvenience this may cause you, and we thank you for your hard work on behalf of the students in New York State.
