SCORING KEY

Updated information regarding the rating of this examination may be posted on the New York State Education Department's web site during the rating period. Check this web site <http://www.emsc.nysed.gov/osa/> and select the link "Examination Scoring Information" for any recently posted information regarding this examination. This site should be checked before the rating process for this examination begins and several times throughout the Regents examination period.

Mechanics of Rating

- Use only *red* ink or *red* pencil in rating Regents examination papers. Do *not* attempt to *correct* the student's work by making insertions or changes of any kind.
- Use check marks [✓] to indicate incorrect answers and to indicate required answers that have been omitted. Do *not* place a check mark beside a correct answer.
- Record the credit for each part and subpart in the appropriate credit box on the student's answer booklet. (Include fractional credit.)
- In Parts IIID and V, check carefully to see that the student has answered only the required number of questions: 10 for Part IIID and 20 for Part V. If more than the required number have been answered, rate only the required number, in the order in which they appear in the student's answer booklet.
- Record the total examination score (the sum of the credits the student received for each part) in the appropriate space in the box in the upper right corner of the answer booklet. *At this time*, any fractional credit of $\frac{1}{2}$ should be raised to the next credit.
- Check carefully for mechanical errors (e.g., addition). Using a calculator might be helpful.
- Write your initials clearly in the appropriate space on the answer booklet.

Part I

Record the credit for Part I: Oral Reading, as previously reported to the building principal.

Part II

The 10 words to be scored are italicized. Underline these words in each student's answer booklet. In order for the student to receive credit for the word, it must be correctly spelled. Do not penalize for improper use of macrons, punctuation, or capitalization.

Allow a total of 5 credits, one-half credit for each of the following 10 italicized words:
