

Regents Comprehensive Examination in English—January 2010

Chart for Determining the Final Examination Score (Use for January 2010 examination only.)

Total Essay Score → To determine the student's final examination score, locate the student's total essay score across the top of the chart and the student's total multiple-choice score down the side of the chart. The point where those two scores intersect is the student's final examination score. For example, a student receiving a total essay score of 18 and a total multiple-choice score of 16 would receive a final examination score of 71.
