Regents Examination in Global History and Geography II (Grade 10)

Policy-level Performance Level Definitions
Students perform along a proficiency continuum with regard to the knowledge and skills necessary to meet the demands of the NYS K-12 Social Studies Framework. There are students who meet the expectations of the Framework with distinction, students who fully meet the expectations, students who partially meet the expectations and students who do not demonstrate sufficient knowledge or skills required for any performance level. The Regents Examination in Global History and Geography II is designed to classify students into one of five proficiency categories (i.e., performance levels). These categories are defined as:

**Level 5**
Students performing at this level meet the expectations of the Framework with distinction for Global History and Geography II.

**Level 4**
Students performing at this level fully meet the expectations of the Framework for Global History and Geography II. They are likely prepared to succeed in the next level of coursework.

**Level 3**
Students performing at this level minimally meet the expectations of the Framework for Global History and Geography II. They meet the content area requirements for a Regents diploma but may need additional support to succeed in the next level of coursework.

**Level 2**
Students performing at this level partially meet the expectations of the Framework for Global History and Geography II. Students with disabilities performing at this level meet the content area requirements for a local diploma but may need additional support to succeed in the next level of coursework.

**Level 1**
Students performing at this level demonstrate knowledge, skills, and practices embodied by the Framework for Global History and Geography below that of Level 2.

The specific knowledge and skills that students in each performance level are expected to demonstrate are described in the Performance Level Descriptions (PLDs) for Global History and Geography II.
